

BRIGETTE DOBY

I JUST WANT TO MAKE THINGS PRETTY.

The girl you can count on and bring home to mom. Equipped with passion, motivation, and a taste for a good challenge, I bring over 10 years of design experience and a work hard, play hard attitude. I'm into good vibes, collaboration, and making things more beautiful than they already are. Design is my jam and I couldn't imagine doing anything else.

HUMBLE BRAGS

I designed a shirt that was sold in the Bucks Pro Shop and it sold out in just days! BUCKSin6 Baby!

My sister and I created a Target/ Starbucks Playroom for my niece. It went viral in minutes and was featured on GMA, BuzzFeed, Scary Mommy, and Insider. Scored a TMJ4 interview too.

I created branding for Cheveux Hair Salon that has evolved with them since they opened in 2012. The visual story we created has helped them grow into a bigger salon with long term clients.

I won a contest to create an photo-based game app called Photo-Klash which I worked with developers to design and execute and was sold in the app store.

Three years in a row my t-shirt design was selected to represent the national campaign for Stomp Out Bullying. Did I mention Mario Lopez, Taye Diggs, & Sara Ramirez were apart of the campaign?!
